

Ethiopia Plastic Fiber Distribution Box Manufacturer

AI Overview

Leading manufacturers in Ethiopia for plastic fiber distribution boxes include Universal Plastic Factory, Roto PLC Ethiopia, and Tana Fiber Tech Ethiopia. Key Manufacturers

1. Universal Plastic Factory (UPF) Based in Ethiopia, UPF has been a trusted plastic products manufacturer since 1995. They specialize in high-quality plastic solutions, including packaging and industrial plastic products. While their primary focus is on plastic crates and packaging, their expertise in durable plastic manufacturing makes them a potential supplier for custom fiber distribution boxes .
2. Roto PLC Ethiopia Roto PLC is a leading manufacturer of high-quality plastic products, including water storage tanks, waste management bins, and custom plastic solutions. Their advanced manufacturing technology and experience in producing durable, weather-resistant plastic items make them suitable for producing fiber distribution boxes for industrial and telecom applications .
3. Tana Fiber Tech Ethiopia Tana Fiber Tech specializes in fiberglass products and has over 10 years of experience in the Ethiopian market. They supply a wide range of fiberglass items, including tanks, sheets, molds, and other durable products. Their technical capability and focus on quality make them a strong candidate for manufacturing fiberglass or reinforced plastic fiber distribution boxes .

Additional Resources For a broader list of fiber and fiber product manufacturers in Ethiopia, the AddisBiz directory provides contacts for companies such as Ethiopian Fiber Products Factory, Fiber Tech Fiber Glass, and National Fiber Glass PLC, which may also offer relevant solutions for fiber distribution enclosures .

Considerations When selecting a manufacturer for fiber distribution boxes, consider:

- Material type:** Plastic vs. fiberglass for durability and environmental resistance
- Customization:** Ability to produce boxes to specific dimensions...
