

Price of Online Optical Attenuators

AI Overview

Online optical attenuators typically range from \$5 to over \$200 depending on type, attenuation level, and connector style.

Price Overview

Fixed Fiber Optic Attenuators: These are the most common and affordable type, providing a constant loss (e.g., 5 dB, 10 dB). Prices generally start around \$5–\$20 for standard LC, SC, or FC connectors with low to moderate attenuation levels (0–20 dB) on platforms like Amazon and DigiKey.

Variable Optical Attenuators (VOAs): These allow adjustable attenuation and are more expensive due to precision control. Prices typically range from \$50 to \$200+, depending on the wavelength range, insertion loss, and mechanical or motorized adjustment features.

High-Power or Specialty Attenuators: For applications such as high-power laser diagnostics or WDM systems, prices can exceed \$200, especially for motorized or custom-coated devices covering broad spectral ranges.

Factors Affecting Price

Connector Type: LC, SC, FC, ST, and MU connectors may have slightly different costs, with LC and SC being the most common and affordable.

Attenuation Level: Higher dB ratings or precision requirements increase the price. Standard fixed attenuators (5–20 dB) are cheaper than high-precision or high-attenuation models (30–60 dB).

Adjustability: Variable attenuators with fine-tuning or motorized control are significantly more expensive than fixed attenuators.

Material and Build Quality: High-quality fiber or coatings for stability and long-term performance can increase cost.

Online Retailers

FS.com: Offers fixed and variable attenuators with attenuation ranges from 0–60 dB.

DigiKey: Provides a wide selection of fiber optic attenuators with same-day shipping and detailed specifications.

Amazon: Everyday low prices for industrial and scientific attenuators, suitable for general lab or networking use.

Fibermarkt: Focuses on high-quality LC/UPC attenuators at competitive prices.

In summary, for standard fixed attenuators, expect \$5–\$20, while variable or high-precision attenuators can cost \$...

Optical Attenuators, Fibre Optic Attenuators

FS fixed and variable optical attenuators with leading attenuating fibres make sure consistent and stable fibre attenuation (0~60dB) in wdm transmission all the time.

Variable Optical Attenuator Price

Types of Variable Optical Attenuators suppliers provide useful variable optical attenuator price details. The attenuator types include: Mechanical Variable Optical Attenuators Usually, mechanical variable

Fiber optic attenuators

Attenuator Singlemode LC/UPC 12dB Model: FA-IS-PCL12 €3.72€4.58 Large availability Add to Cart Add to Wish ListAdd to Compare Attenuator Singlemode LC/UPC 13dB Model: FA-IS-PCL13

SC/UPC Singlemode Fixed Fiber Attenuator 1~25dB

SC Fixed Fiber Optic Attenuator (Singlemode, Male to Female, UPC, 1~25dB) Fiber optic attenuators are devices to reduce the optical fiber power by a certain level within the fiber optic network. Fiber

Fiber Optic Attenuators In Stock | Great Prices | Unikeyic

Shop At Unikeyic For Fiber Optic Attenuators —Stocked, Ready To Ship. Find Detailed Datasheets And Competitive Pricing On Our Product Category.

Optical Fiber Attenuator

Find here Optical Fiber Attenuator, Fiber Optic Attenuators manufacturers, suppliers & exporters in India. Get contact details & address of

OZ Optics Online | Variable Attenuators

Variable Attenuators Manual Variable Attenuators MEMS Variable Attenuators Motor Driven Variable Attenuators

Attenuators

VIAMI offers the industry's most complete range of optical attenuators for installation and maintenance of singlemode and multimode fibers and advanced, photonic-layer solutions for lab and production

15dB LC Attenuator LC/UPC SM Single Mode Fixed Optical ...

□□Low insertion loss: LC attenuators exhibit low insertion loss, ensuring minimal energy loss when the optical signal passes through the attenuator. LC/UPC singlemode fixed fiber optic attenuator

V-TECH Digital fiber optic Optical Variable Attenuator ...

Buy V-TECH Digital fiber optic Optical Variable Attenuator Tester meter a Digital Multimeter for Rs. online. V-TECH Digital fiber optic Optical Variable Attenuator Tester meter a Digital Multimeter at

Variable Attenuator at Best Price in India

Find here online price details of companies selling Variable Attenuator. Get info of suppliers, manufacturers, exporters, traders of Variable Attenuator for buying in India.

Optical Attenuators(Fixed & Variable, 850, 1310 & 1550nm)

Precise and reliable fixed and variable fiber optic attenuators for optical power control. SC, ST, LC, FC, SMA connector types and In-line, washer types, and more.

Fiber Optic Attenuators | Optoelectronics | DigiKey

Shop DigiKey's large in-stock selection of Fiber Optic Attenuators. View inventory, pricing and order now for same day shipping!

Variable Fiber Optic Attenuators Types Prices & Technical Specifications

What Is Variable Fiber Optic Attenuators? Variable Fiber Optic Attenuators, or fiber optic attenuator, is a device used to reduce the power level of an optical signal, either in free space or in an optical fiber.

Fiber Optic Attenuators

Fiber Optic Attenuators Fiber optic attenuators are devices which reduce (attenuate) the strength of a fiber optic signal within a fiber optic network. Attenuators are usually used when the signal arriving at

Optical Attenuators – fixed, variable, VOA, high-power,

Optical attenuators are devices which can reduce the optical power e.g. of a light beam. Some types provide variable attenuation.

"Optical Fiber Attenuators Price"

Upgrade your Fiber Optic Equipment with the elegant and durable Optical Fiber Attenuators Price. Identify leading distributors by their ability to offer competitive wholesale prices and insider

Fibre Attenuators ST FC SC LC | Optical Attenuator

Buy from MCL Data Solutions" range of high quality optical fibre attenuators, with singlemode and multimode options; build-out and inline styles optical attenuators and FC, ST, SC, and LC connectors

Amazon : Fiber Optic Attenuators

Online shopping for Industrial & Scientific from a great selection of Fiber Optic Attenuators, Radio Frequency Attenuators & more at everyday low prices.

Amazon : Attenuators

10 Pack Single Mode Fiber Optic Attenuators – 3dB, 5dB, 7dB, 10dB, 15dB, SC/APC Fiber Attenuator Ideal for Communication & Data Centers Add to cart

uxcell ST Mechanically Variable Optical Attenuator,

3. The fiber optical attenuator applies to single mode or multimode. 4. High attenuation accuracy, low added loss and good stability. 7. Widely used in the

Optical Attenuators, Fixed & Variable Available

FS fixed and variable fiber optic attenuators with leading attenuating fibers guarantee consistent and stable fiber attenuation (0~60dB) in WDM transmission.

OZ Optics Online | Digital Variable Attenuators

OZ Optics offers a compact, rugged and low cost digital attenuator with high resolution, high speed, high attenuation range and high power handling (blocking technique only).

Optical Fiber Attenuator Manufacturers, Suppliers, Dealers & Prices

Find Optical Fiber Attenuator manufacturers, suppliers, dealers & latest prices from top companies in India. Buy from a wide range of Optical Fiber Attenuator online.

Amazon Bestsellers: The most popular items in Attenuators

Amazon Bestsellers: The most popular items in Attenuators CABLE SPLICER TECH - SC/APC (Male) to SC/UPC (Female) Adapter - Single Mode SM 9/125 - Hybrid Adapter - No Loss 0dB - Fiber Optic

OZ Optics Online | Fiber Optic Attenuators

OZ Optics offers a broad range of both variable and fixed attenuators having key competitive advantages. All of our attenuators operate over the two standard wavelength bands, the C-Band and

Optical Attenuators Market in the World | Report

Optical attenuators are passive components that intentionally reduce the power level of an optical signal in a fiber optic link. They are essential for preventing receiver overload, adjusting
