

Price of enclosed cable trays in China and Africa

AI Overview

Cable tray prices in China range from \$1/meter for plastic fiber trays to higher rates for steel and aluminum types, while African prices vary depending on import costs, local suppliers, and material type. Cable Tray Prices in China China offers a wide range of cable trays, including ladder, perforated, wire mesh, and ventilated types, with prices influenced by material, size, and customization options. Key points include:

- Plastic optic fiber trays: Approximately \$1 per meter, suitable for IT and sensitive installations (Ningbo Lepin Network Equipment Co., Ltd.).
- Steel and aluminum trays: Prices vary depending on thickness, galvanization, and perforation, typically ranging from \$5 to \$20 per meter for standard industrial sizes.
- Wholesale and OEM options: Factories like Shanghai Qionгкаi Industry Co., Ltd. offer factory-direct pricing with volume discounts and customization for specific project requirements.
- Market trends: Prefabricated and modular systems are increasingly popular, reducing installation time and labor costs. Hot-dip galvanization and perforated designs improve durability and airflow.
- Suppliers can be found on platforms like Made-in-China, Alibaba, and Tradewheel, offering verified manufacturers and competitive pricing for bulk orders.

Cable Tray Prices in Africa African cable tray pricing is less standardized and often depends on imports from China or local manufacturers:

- Imported trays: Prices include shipping, customs duties, and local taxes, which can increase costs by 20–50% compared to Chinese factory prices.
- Local suppliers: Countries like South Africa, Nigeria, and Kenya have distributors offering steel and aluminum trays, typically \$8–\$25 per meter, depending on material and quality.

Procurement tips: Bulk orders from Chinese suppliers can reduce costs, but buyers should consider lead times, shipping logistics, and complia...
