

Riveted Cable Tray Manufacturer

AI Overview

Leading manufacturers of riveted and metal cable trays include Spina Group, Kam Tai Products, Niedax Group, and Huanye Electronics, offering global supply and custom solutions. Key Manufacturers

1. Spina Group (Schiavetti Tekno) Based in Italy, Spina Group is a prominent manufacturer of cable trays and accessories for industrial electrical and instrumentation systems. They offer stainless steel, galvanized, and wire cable trays in various types, including ladder, perforated, and closed-bottom trays. Their systems are designed for strength, corrosion resistance, and long-term performance, with compliance to European (EN) and international (UL) standards. Custom sizes and compatibility with Unistrut systems are available, along with technical support and after-sales service.
2. Kam Tai Products Headquartered in Hong Kong with production in Guangdong, China, Kam Tai Products specializes in metal cable containment systems, including cable trays, ladders, baskets, and U-channel supports. They provide all necessary accessories for installation, such as threaded rods and screws. With over 30 years of experience, Kam Tai emphasizes automation, high-quality production, and cost-effective solutions for large-scale construction projects.
3. Niedax Group A German-based global supplier, Niedax Group offers steel, aluminum, PVC, and GRP cable management systems. They provide full-service solutions including planning, installation, and technical consulting. Their portfolio includes customized cable tray systems for industrial, energy, and infrastructure projects, with operations in over 30 countries.
4. Huanye Electronics Huanye Electronics manufactures wire mesh and perforated cable trays using high-strength steel and pre-galvanized materials. Their fully automated production ensures consistent quality and economical installation, suitable for both indoor and outdoor applications. They offer a wide range of sizes and types to support diverse cable management needs.

Considerations for Selection Material and Finish: Stainles...
