

Singapore factory electrical distribution box manufacturers

AI Overview

Actenn, Asiatic Group, Schneider Electric Singapore, and The Enclosure People are leading manufacturers and suppliers of electrical distribution boxes in Singapore. Key Manufacturers and Suppliers

1. Actenn Actenn specializes in custom-built electrical box assemblies for industrial, commercial, and residential applications. Their products house critical components such as circuit breakers, wiring, and power controls, ensuring safe and efficient power distribution. Actenn offers tailored solutions to meet specific dimensions, component integration, and environmental requirements, using high-quality materials like stainless steel, aluminum, and corrosion-resistant plastics. Their assemblies comply with international safety standards and are designed for long-term reliability and operational efficiency.
2. Asiatic Group (Hensel Products) Asiatic Group distributes HENSEL electrical installation and power distribution systems, suitable for harsh environments with dust and humidity. Their distribution boxes are made from thermoplastic polystyrene and polycarbonate, offering IP65 to IP67 protection, UV resistance, and flame retardancy. HENSEL products are double insulated (protection class II) and designed for safe, standard-conforming installation in industrial and factory settings.
3. Schneider Electric Singapore Schneider Electric provides a wide range of modular electrical enclosures for industrial automation, control, and power distribution. Their offerings include steel, polyester, polycarbonate, and fiberglass-reinforced enclosures, suitable for indoor and outdoor installations. Products are designed for IP66 protection and IK10 shock resistance, with options for wall-mounted, floor-standing, and compact modular cabinets. Schneider Electric enclosures are ideal for harsh or corrosive environments, including food, beverage, and petrochemical industries.
4. The Enclosure People Pt...
