

What are some companies that supply galvanized cable trays in the Middle East

AI Overview

Several leading companies in the Middle East supply galvanized and hot-dip galvanized cable trays, including West Port, Unigroup, Ruwais Steel, and Bonn Metal Construction Industries. Key Suppliers

1. West Port Cable Tray (UAE) West Port is a prominent supplier of cable management systems in the UAE, offering a variety of cable trays including ladder, perforated, and solid-bottom types. Their products are designed for durability and compliance with industrial standards, suitable for infrastructure, data centers, and oil and gas projects.
2. Unigroup (Dubai, Abu Dhabi, Sharjah) Unigroup manufactures and supplies galvanized cable trays along with perforated, ladder, and wire mesh types. Their systems are engineered for corrosion resistance, fire safety, and long-term reliability, with full support systems and installation accessories available.
3. Ruwais Steel (Pan-UAE) Ruwais Steel provides a wide range of cable trays including galvanized, hot-dip galvanized, GI, stainless steel, and powder-coated options. They focus on industrial and construction projects, ensuring high-quality standards with ISO 9001:2008 certification and rigorous quality testing.
4. Bonn Metal Construction Industries LLC (BMCI) / BonnGulf BMCI is a major manufacturer in the UAE and MENA region, producing galvanized and stainless steel cable trays, ladders, and trunking systems. Their hot-dip galvanizing facility can handle large-scale production, ensuring corrosion-resistant and durable cable management solutions for industrial, utility, and construction projects.

Considerations for Selection

- Type of galvanization: Hot-dip galvanized trays offer superior corrosion resistance compared to pre-galvanized options.
- Project scale: Companies like BMCI and Ruwais Steel can handle large industrial projects with high-volume requirements.
- Compliance and standards: Ensure suppliers adhere to ISO or international standards.
