

Where to purchase ladder-type cable trays

AI Overview

You can find ladder-style cable trays from major suppliers like Legrand, McMaster-Carr, Grainger, and CableOrganizer, offering a wide range of sizes, materials, and accessories. Key Suppliers Legrand offers a full collection of metallic ladder trays, including straight sections, horizontal and vertical fittings, covers, splices, and supports. Their products are available in multiple heights, lengths, and widths, suitable for various industrial and commercial installations (Legrand). McMaster-Carr provides a broad selection of ladder cable trays, including heavy-duty open cable and hose carriers. They offer same-day and next-day delivery, making them convenient for urgent projects (McMaster-Carr). Grainger supplies cable ladder trays for multiple industries, with easy ordering, fast delivery, and 24/7 customer support. Their catalog includes both standard and heavy-duty options suitable for large-scale installations (Grainger). CableOrganizer specializes in solid and ladder cable trays designed for heavy-duty cable runs. Their products support large network wiring and offer flexible installation configurations, along with accessories for cable wrapping and color coding (CableOrganizer).

Considerations When Choosing a Supplier

Material and Finish: Ensure the tray material (steel, aluminum, or stainless steel) and surface treatment meet your durability and environmental requirements.

Size and Load Capacity: Select trays with appropriate width, height, and weight capacity for your cabling needs.

Accessories: Check for compatible fittings, splices, covers, and supports to simplify installation.

Delivery and Support: Consider suppliers offering fast shipping and technical support for installation guidance. These suppliers provide comprehensive catalogs and online ordering options, making it easier to compare products and select the right ladder-style cable trays for your project.
